

New Life Center Zambia is a ministry of Zambia helping to facilitate a development ministry to equip believers to respond to the Great Commission. This is done by training people to be leaders in their community in areas of spiritual education and community health development. We started with just a handful of congregations back in 2000 and we now have over 150 active congregations. This is not only because of the New Life Center ministries, but as we've worked together in mission we have played a strong roll in this growth of the church and the communities they serve. Your help over the years is the key that has made the difference in this development! \$1200 was sent to them in November.

The Children's Home is a diverse ministry with two campuses that include residential, therapeutic group, foster and emergency shelter care. The Home also provides independent living assistance and a community child care center. We have been fulfilling our apportionment each year to this wonderful ministry. We recently received a letter acknowledging our donation of \$600 to them.

On November 4th UCOM celebrated 44 years of success at our 2022 Neighbor Helping Neighbor Gala. Thank you for being a part of this event and for your donation of \$500 which helped reach their goal of \$100,000. This helps UCOM continue its mission of ensuring that no one faces hunger or crisis alone. We are able to sustain our programs of Meals on Wheels, emergency & financial services, school summer lunches and mobile food pantries. It also allows our case management team to walk with our neighbors in need to keep them moving forward towards smart and healthy living.

We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it's our conviction – we're here to prove it – that spiritually, Christianity is most fully lived out in the congregation of God's people. You figured out we're not all together, but we're working on this journey of faith and we are glad you have come along with us for the ride.

Please worship with us on Sunday mornings in person, drive-in (tune in to FM 90.5), on facebook at <https://www.facebook.com/faithumcjax> or livestream on our website which is www.faithumcjax.org (<https://www.youtube.com/watch?v=j8UZrQqINV8>)
