

Mission Opportunities

For the month of September our emphasis will be mac & cheese. Believe it or not, mac & cheese are very hard items to purchase thru Feeding NEFL so the need is great. Any donations are welcome, it does not have to be just these particular food items.

Ushers & Greeters

Here is an opportunity for you to be the first person to welcome in members and visitors alike on Sunday morning. Elsie, Jack and James all do a wonderful job of greeting and ushering but if this is something you would like to take part in, please let the office know and we will gladly put you on the schedule.

We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it’s our conviction – we’re here to prove it – that spiritually, Christianity is most fully lived out in the congregation of God’s people. You figured out we’re not all together, but we’re working on this journey of faith and we are glad you have come along with us for the ride.

Not able to be with us in person today? Worship with us through these options:

Here is an update on what the Global Methodist Church’s Disaster and Response Team have been doing to help those who were affected by Hurricane Idalia: We are continuing to work in the Live Oak area and expect to be serving until mid-October (and possibly longer). We received 85 requests for assistance and have been able to close out 25 jobs. We have logged 962 volunteer hours! We have distributed supplies (ice, water, MREs, furring strips, tarps, food, and other items) to 155 families. We have provided 580 cleaning and tornado buckets. We have received \$5000 in gift cards which are being distributed to families to help them with their needs.

We will take a special offering for the next 2 weeks to contribute to this effort. Please give as you can and continue to pray for all those recovering and the volunteers giving of themselves to help those in need.
