Hope is how UCOM started. Bringing hope to neighbors. Empowering lives so people can be in charge of outcomes. The resources you help UCOM provide are all directed to raise people up so they can pay attention to whatever is next on their list; precipitating active involvement in their life's direction.

We have a few fundraising events coming up and would love participation, because we can only provide the level of hope needed in our community with the continued help from mission partners. Thank you for all you have and are doing to continue to address the growing needs of many; during this time of uncertainty.

This week UCOM is still in need of **cereal**.

Benediction

The Apostle's Creed
I believe in God, the Father Almighty, maker of heaven and earth;
And in Jesus Christ his only Son, our Lord; who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, dead, and buried; the third day he rose from the dead; he ascended into heaven, and sitteth at the right hand of God the Father Almighty; from thence he shall come to judge the quick and the dead.
I believe in the Holy Spirit, the holy catholic** church, the communion of saints, the forgiveness of sins, the resurrection of the body, and the life everlasting. Amen

Welcome to Faith United Methodist Church!
We are so glad that you have joined us this morning. For those new or returning to the church, welcome home. God calls us all to Himself, and it's our conviction – we're here to prove it – that spiritually, Christianity is most fully lived out in the congregation of God's people. You figured out we're not all together, but we're working on this journey of faith and we are glad you have come along with us for the ride.

We continue to worship in the sanctuary following the CDC guidelines in addition to our other options. Drive-in church (tune in to FM 90.5), livestream on our website which is www.faithumcjax.org (<https://www.youtube.com/watch?v=GQx4CxfR8>) or on facebook at <https://www.facebook.com/faithumcjax>.
